

This warranty gives you specific rights, and you may also have other rights, which vary in different states and countries. Leviton warrants to the original consumer purchaser that this product is free of defects in materials and workmanship for 1 year from the purchase date. Leviton's only obligation is to correct such defects by repair or replacement, at its option, if within such 1-year the product is returned prepaid, with proof of purchase date, and a description of the problem to Leviton Manufacturing Co., Inc., ATTN: Quality Assurance Department, 745 Jefferson Blvd., Warwick, RI 02886. This warranty does not cover labor for removal or reinstallation of the product and is void on any product installed improperly or in an improper environment, overused, misused, covered, abused, or altered in any manner. There are no implied warranties of any kind, but if implied warranties are required by the applicable jurisdiction, Leviton limits the duration of any implied warranty of fitness for use or merchantability to 1 year. Leviton is not liable for incidental or consequential damages for breach of any warranty on this product. Some jurisdictions may not allow exclusion or limitation of how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above exclusions or limitations may not apply to you.

**LEVITON'S LIMITED ONE-YEAR WARRANTY**

**DECORA® ELECTRONIC CONTROLS**

Noise Reduction Filter

Cat. No. 6287

**Rated: 5 Amps -120 Volts**

### Cat. No. 6287 Installation Instructions

The Cat. No. 6287 Filter is intended to significantly reduce noise produced by such sources as electronic low-voltage light fixtures, electronic fluorescent ballasts, and other switching power supplies.

**TO BE INSTALLED AND OR USED IN ACCORDANCE WITH APPROPRIATE ELECTRICAL CODES AND REGULATIONS**

**1. WARNING: TO AVOID FIRE, SHOCK, OR DEATH; TURN OFF POWER AT CIRCUIT BREAKER OR FUSE. TEST THAT POWER IS OFF BEFORE WIRING!** Use this device only with copper or copper clad wire. With aluminum wire use only devices marked CO/ALR.

**2. Determine best location (Outlet Box) for Cat. No. 6287, i.e., closest to Load that is causing electrical noise. CAUTION: DO NOT INSTALL CATALOG NUMBER 6287 IN AN OUTLET BOX CONTAINING ANY OTHER WIRING DEVICE.**

**3. Connect wires per diagram as follows: Twist strands on each wire. Twist together bare ends of appropriate wires. Push wires firmly into wire connector. Screw connector on clockwise until tight. Secure connection with electrical tape.**

**4. Mount Cat. No. 6287 to grounded outlet box with double-sided tape (supplied).**

**5. Restore power at circuit breaker or fuse. Installation is complete.**
